MOTION FOR SUBSTITUTION OF ATTORNEY

Your honor my name is Tadarius Robinson, a detainee currently detained at the Joe Corley detention facility in Conroe Texas. I wish to bring to your attention the breakdown in communication between me and my attorney on record and hereby wish for a counsel determination hearing. I am currently represented by Mr. David Adler on a case before your honorable court set for trial.

A trier of factors has led to this decision, which includes how we both differ on our opinion on the basis of my defense. He has ceased communication with me and does not inform me on the next cause of action relevant to the case. While i duly acknowledge that he is my legal representative on this matter, i have constantly reiterated that the factual basis which the prosecution seeks grossly misrepresents any act by me but depends on hearsay by co-defendants which is insufficient to sustain a conviction.

I have suggested suppression of these statements and an evidentiary hearing to determine my conduct and a chance to my right to confront any witnesses against me which he has vehemently refused to do, without an explanation that has any legal basis.

Your honor, the fact is my attorney constantly gravitates towards a plea agreement and does not give any chance to fight this case whose conviction would have an adverse effect on my life and that of my family.

It is my wish that looking at these circumstances that the court grants me a substitute attorney to help me prepare my defense and help mitigate damage which these delay in preparation could cost me. I will be grateful if my request is granted.

Respectfully Submitted,
Tadarius Robinson
